Prior to attending architecture school at Carnegie Mellon, I lived in Chicago where I completed my junior and senior year. Coming from San Francisco, I was immediately taken by the rich architectural heritage of Chicago. I am an avid soccer player, barber and street art lover. My current architectural interests are focused around design-build architecture, the role of sketching in architecture, and understanding the effects the built environment has on its community.

Education

Carnegie Mellon School of Architecture | 2016-2021
Bachelor of Architecture Candidate

Illinois Institute of Technology | Experiment in Architecture | Summer 2015

New Trier High School | 2014-2016

Sacred Heart Cathedral Preparatory | 2012-2014

Experience

JGMA (Juan Gabriel Moreno Architects) | Summer 2018 + 2019 | Chicago, IL

Internship - Assisted with proposals, predesign, design, and construction documents of multiple built and unbuilt projects. Became proficient in Revit, AutoCAD, SketchUp, and 3D Printing through these two summer experiences.

Taco Lago Restaurant | Summer 2017 | Winnetka, IL

Cashier - Learned to work fast, efficiently, and accurately under pressure.

Glencoe Park District Summer Camp | Summer 2016 | Glencoe, IL

Counselor- Responsible for a group of twelve third grade boys for the entire summer.

Lake Street Barbering and Company | Spring 2016 | Chicago, IL

Internship- Kept the shop clean, ran errands, and got advice from the barbers in the shop. Practiced cutting hair outside of the shop.

California North Soccer Referee | 2010-2014 | Grade 8 | San Francisco, CA

2011 Youth Referee of the Year

Skills

Digital

- Rhinoceros
- Enscape
- SketchUp
